After 45 years' study of Nature and her laws along special lines, my superior advantages and ability go without saying, and I unhesitatingly declare, and my unparalleled record as a successful specialist in private diseases of men backs up my claim, that more men have been cured by me of VARICOCELE, HYDROCELE, NERVOSEXUAL DEBILITY, BLOOD POISON and REFLEX DISORDERS within the last 35 years than by any specialists in the United States combined. This fact is self-evident and indisputable, and, with my rates more reasonable and treatment more successful you do wrong to experiment with concerns whose methods are being frequently changed, and whose doctors are the scrapings together of transieut and defunct concerns.
